Objective

Highly motivated, passionate and hardworking Junior Front-End Developer with hands-on experience in software development including requirements gathering, designing, coding, testing, debugging and maintenance. I am versatile and a quick learner, willing to embrace new challenges and eager to learn more and grow as a software engineer.

Skills

- Languages: Html, CSS, React, JS
- Bilingual (Spanish and English)
- Fast learner
- Adaptable

Experience

Road to Hire- Charlotte, NC

April 2019 - Current

Junior Software Developer

- Learned basic concepts of HTML, CSS, Sass, Node.js, React, JS and C#.
- Introduced to Client-Server Relationships, JWT, and frameworks including Bootstrap.
- Captured data and stored in MySQL, MongoDB.
- Deployed to the cloud on Heroku.

Demaine Chiropractic and Rehab Centers- Charlotte, NC

August 2018 - April 2019

Chiropractic Assistant

- Taught patients special “blueprint” exercises designed just for them to help strengthen and correct their own unique problems.
- Kept the patient flow going smoothly in the clinic, from stretching to therapy, sending patients over to massage and making sure their office visit was complete.

Road to Hire- Fort Mill, SC

January 2018 - June 2018

Recruiter

- Full cycle recruiting ownership included: Resume review, Initial phone-screening, Candidate communications/Follow ups, Leading feedback sessions, and leaded offer calls and offer negotiations.
- Managed onsite interviews which included: Greeting candidates, Conducting tours, Managing schedule changes and providing a strong candidate experience.
- In charge of the new hire documentation process including, drafting/sending offer letters, managed background/ drug screen processes, and on-boarding communications.

Red Ventures- Fort Mill, SC

May 2017 - January 2018

Bilingual Spanish-Speaking Inside Sales Agent

- Successfully completed comprehensive sales training in Spanish which included product knowledge, salesmanship, and software systems.
- Increased customer profitability by utilizing cross-selling and upselling techniques.
